

Royal

The Royal Easel

Our all the products are manufactured and designed in our own premises. So Pragati is in a position to control its quality, pricing and service to guarantee customers not only the best value but totally committed services from an established, experienced and caring company.

Our all the products are designed and built for your needs. We can even manufacture specially for you in your own colour and finishes to co-ordinate standard products in your design scheme.

- Powder coated frame with engineering plastic accessories.
- Adjustable board position and height.
- Integral support to the board.
- Sturdy yet light weight frame.
- No maintenance.
- Easy to install.
